This Week's Feature Story and Slideshow!

A Night to Recite

Teens Take Center Stage During National Poetry Month

Can you imagine a performance contest that involves 15,000 teenagers? Can you picture every one of those student ... [More...](#)

Reader's Digest & WEEKLY READER Daily Word Power Challenge

The mouse looked up at the cat and seemed **distressed**. **Distressed** means

☐ curious. ☐ carefree.
☐ worried. ☐ ready for a fight.

Poetry Mad Libs

Choose a topic:

- This week's online game. Poetry Mad Libs!
- Are you a student reporter? Do you work on a school paper?
- Teach Revision with Google and Weekly Reader
- Anna Popplewell is this month's Ask A Celebrity!
- Check out the official blog of Read and Writing magazines.

Everything on the home page relates to the current issue.

Students can continue a story here. The guest authors change out periodically.

This is the main article.

This will take you to a less complicated page.

THIS WEEK IN HISTORY

2008: The Larsen Ice Shelf, which was slightly larger than the size of the state of Rhode Island, collapsed on this day. It sent 750 billion tons of ice into the Weddell Sea in Antarctica. [Find out more](#)
